Neil Gaiman
CORALINE

Нил Гейман
КОРАЛИНА

словарь • комментарии

Coraline [Standalone | Audiobook, E-Book & Graphic Novel] by Neil Gaiman-----Audiobook Download: lives with her preoccupied parents in part of a huge old house--a house so huge that other people live in it, too... round, old former actresses Miss Spink and Miss Forcible and their aging Highland terriers ("We trod the boards, luvvy") and the mustachioed old man under the roof ("The reason you cannot see the mouse circus,' said the man upstairs, 'is that the mice are not yet ready and rehearsed.") Coraline contents herself for weeks with exploring the vast garden and grounds. But with a little rain she becomes bored--so bored that she begins to count everything blue (153), the windows (21), and the doors (14). And it is the 14th door that--sometimes blocked with a wall of bricks--opens up for Coraline into an entirely alternate universe. Now, if you're thinking fondly of The Lion, the Witch, and the Wardrobe or Alice's Adventures in Wonderland, you're on the wrong track. Neil Gaiman's Coraline is far darker, far stranger, playing on our deepest fears. And, like Roald Dahl's work, it is delicious. What's on the other side of the door? A distorted-mirror world, containing presumably everything Coraline has ever dreamed of... people who pronounce her name correctly (not "Caroline"), delicious meals (not like her father's overblown "recipes"), an unusually pink and green bedroom (not like her dull one), and plenty of horrible (very un-boring) marvels, like a man made out of live rats. The creepiest part, however, is her mirrored parents, her "other mother" and her "other father"--people who look just like her own parents, but with big, shiny, black button eyes, paper-white skin... and a keen desire to keep her on their side of the door.----- Coraline by Neil Gaiman [Audiobook Standalone].zip drive.google.com Home | Religion | Literature | Children | History | wikileaks Books list created by Rahnuma eLibrary Creator. (c)2022 All rights reserved. Rahnuma eBooks Library "Coraline by Gaiman" is an interesting and beautiful novel that will transport you to another place and time. Here is the summary for you to get a clearer idea about this impressive novel. "Coraline by Gaiman" is a beautiful novel with a heart-wrenching story. If this cover doesn't raise your temperature a few degrees, the story will. Grab a fan before reading this one, because it really heats up. This is such a lovely book. The author writes characters that make you feel as if you literally stepped into the pages of her book. Characters are definitely the strong point of the novel. It does take a while to untangle them in the beginning but read carefully and persevere, it's worth it. A lot of it is predictable but it doesn't detract from the story at all, since it's written with humor, entertaining situations and interesting characters. v It is fiction geared toward women, but the message is one we all need to be reminded of in our age of snap judgments & ready condemnations don't judge someone till you have walked a mile in their shoes and while at times the story is entertaining, sometimes it's a long mile. It turned out to be more elaborate and interesting. As with all endings, there are things that need to be tied up, and the author did this nicely. It was well-paced, and the reader gets closure. It goes down like an ice-cold guilty pleasure on a hot beach-reading day. This book is perfect for those looking for an easy summer beach read. If you enjoy hard fiction, you will definitely love this book. Even if you think you are not interested in a heavy story, pacing and the optimism of the writing is more than enough to make this book a wonderful, exciting read. To cut the story short, this is an outstanding novel with a powerful story that will keep you up all the night in a highly entertaining way. Book Name & Author: Coraline by Gaiman Publish date: 2021 Language: English Genre: African Fiction, Love, Relationship Format: PDF/ePub Size: 1 MB Pages: 232 Price: Free Well, if you are a bookworm and looking for a free copy of you are in the right place.
